

SANTA MONICA PULSE

SURVEY RESPONSES FOR JANUARY 2022

Text message poll sent to ~1,000 Santa Monicans between January 21-25, with a response rate of 22.5 percent.

QUESTION 1:

This month, City Council delayed requiring vaccine passports to enter many Santa Monica businesses. Would you be in favor or against an ordinance that required full proof of vaccination for patrons and employees of restaurants, theaters, personal care centers and government buildings in Santa Monica?

	Total Pct
1. I would be in favor of such an ordinance	28.89%
2. I would be against such an ordinance	68.00%
3. Not Sure	3.11%
TOTAL	100.00%

QUESTION 3:

The annual homelessness count in LA County has been postponed. Compared to 2020, when the count was last completed, do you believe there are currently fewer or more homeless individuals in Santa Monica?

	Total Pct
1. There are fewer homeless individuals now than in 2020	3.11%
2. There are more homeless individuals now than in 2020	89.78%
3. There are the same amount of homeless individuals now as there were in 2020	7.11%
TOTAL	100.00%

QUESTION 2:

The city recently released a comprehensive report on its homelessness services. However, the report does not include outcomes or success rates for the city's several initiatives. Do you think the City Council must obtain information on program outcomes in order to more effectively address the city's homelessness crisis?

	Total Pct
1. Yes, I believe the City Council needs information on program outcomes to better solve homelessness	84.00%
2. No, I do not believe the City Council needs information on program outcomes to better solve homelessness	8.44%
3. Not Sure	7.56%
TOTAL	100.00%

QUESTION 4:

Going into 2022, would you say you are more or less confident today in the city's leadership than you were a year ago?

	Total Pct
1. I am more confident in city leadership today than I was a year ago	9.33%
2. I am less confident in city leadership today than I was a year ago	64.00%
3. My confidence in city leadership has not changed	26.67%
TOTAL	100.00%
